

Proposed Legilium for St Matthew Westminster

Design

Side elevation shown below, followed by detail of candle holders and microphone grill. Pocket for a microphone would be set into the top of the reading desk.

Materials

Carved elements and bass in parcel gilt* walnut

Central column in oak

Reading desk a walnut frame and book matched oak panel

Fixing for candles (flower head in the LH image above) in bronze

Microphone grill in pierced boxwood with black cloth backing (RH image)

All wood surfaces French polished

*My suggested scheme would be gilt highlights on architectural elements, solid gilding of foliage on column and candle holders, and a 30mm band of gold round the larger foliage on the brackets.

Cost and timescale

Labour: £4000

Materials: approx. £600, upper limit of £750

Total time from raising to delivery approximately 90 days. Earliest commencement June 2017
