Dear PCC members

I attach the agenda for the next PCC meeting, a proposal for a legilium and a paper on the pastoral assistant scheme, together with questions on mission below. I will send the annual report shortly.

Mission – reflective questions – see item 6 on the PCC agenda

Fr Jamie has prepared some reflective questions about mission and will organise a discussion during the PCC meeting. Would you be kind enough to read and reflect on the questions before you come to the meeting please?

- 1 How should we understand 'mission' in the context of a church like SMW?
- 2 How should we focus our outward facing work (as distinct from the ministry to those who identify themselves as part of St Matthew's)?
- 3 What could be done in the short term? Are there any quick wins?
- 4 What would take longer to put in place?
- 5 What resources are needed for 3 and 4?
- 6 Is there one thing you could commit to doing personally in terms of the mission of SMW?
